

BATHROOM DANGERS FOR YOUR BIRD

BATH TUB

A tub full of water unattended with a flighted bird is dangerous

OPEN TOILETS

Your bird can fall in and not be able to get out or make loud enough noise to alert you.

CLEAR SHOWER DOORS

Be aware that your see-through doors pose a risk

AIR QUALITY

Using your shampoo, soaps, deodorant, perfumes, hair sprays, and cleaning agents affect air quality for your bird. Don't use Tea Tree Oil shampoo, essential oils, or pine cleaner with your bird in the room.

YOUR BATHROOM IS ONE OF THE MOST
COMMON SOURCES FOR INDOOR POLLUTION!
